The Big Game Deserves A BIG Drink Stirrer

Are you hosting or attending a party for February's Big Game? If so, then you need this stirring rod to make the most supersized batch of margaritas your fellow football fans have ever seen. This stirring rod is 4ft long and contains two 8" diameter agitators along its shaft. The stainless steel blades, hubs, and shaft are all fabricated as separate components, and then welded together. The welds and all exposed surfaces are polished to a 32Ra or better finish all over. After electro-polishing, the part is completed by press-fitting the plastic bushing seen at the bottom tip of the assembly. So whether you'll be rooting for Man City or Man U come February 26th, we hope you truly enjoy the Big Game as these two Premier League teams battle for the title of best club in Manchester!

Quiz:

Which state produces the majority of America's roses?

- a. Texas
- b. California
- c. Alaska
- d. Florida

Problem:

It takes 1629 digits to number the pages of a book. How many pages does the book have? (i.e. pages 8,9,10 would each use respectively use 1 digit, 1 digit, 2 digits)

Quote:

My philosophy is it's none of my business what people say of me and think of me. I am what I am, and I do what I do. I expect nothing and accept everything. And it makes life so much easier.

~ Anthony Hopkins ~
